Ingredients

- ½ cup (115 g) dairy-free butter, softened
- 2 cups (about 230 g) icing sugar
- 1–2 tbsp plant milk
- 1 tsp vanilla extract
- pinch of salt

Direction

STEP 1

Beat the butter.
In a bowl beat the dairy-free butter for 2–3 minutes until smooth and slightly fluffy.

STEP 2

Add the icing sugar gradually while mixing on low speed.
Once combined, increase the speed and beat until smooth.

STEP 3

Add the vanilla, salt and 1 tablespoon of plant milk. Beat until creamy. If needed, add a little more plant milk until the buttercream reaches a smooth piping consistency.

STEP 4

Beat for another 1–2 minutes until light and fluffy.
